Cube Coffee Table

We worked closely with Equinox Properties in Dorking to deliver a space that balances aesthetic appeal and functionality without compromising cost-effectiveness.

Showcasing the diverse range of our portfolio, the open plan office space is designed with a mix of sit-stand and fixed height workstations and space-dividing storage, creating a flexible and functional environment. Meeting and breakout areas feature favorite pieces from our Everyday Collection, including the Mila banquette seating, Brook meeting chairs, and Hudson armchairs, to name a few.

The shades of orange and mustard make the space bright and welcoming, and the layout provides a highly functional workspace with various areas for working and collaborating.
